Shelter Home Systems, the founding plant of SRI Homes, started building homes in Estevan, Saskatchewan in 1978. Shelter delivers homes from Western Ontario to British Columbia and from the North West Territories to the US Border. We sit on 17 acres of land in a building of 90,000 square feet, and averaging over 100 employees. Shelter has built almost 25,000 homes right here in Southern Saskatchewan. Shelter continues to grow, offering homes, commercial structures and industrial buildings to all of Western Canada.
